### Institutional Distinctiveness (2019-20)

Our JP College of Education has provided tremendous thrust and priority to its Program of Diversity Inclusion and Integration – an area distinctive to the Vision of the College. The Vision of the College is to educate, enable and empower young women, including women students from different areas that form a significant section of the student community in the College. The College emphasizes the need to mainstream the marginalized and weaker sections of students to ensure justice and equity in society. The Mission is to steer the education it offers not only towards the pragmatic goal of employability, but also to build a life of the mind and sensitize and orient its students to the service of the community. Under its Diversity Inclusion and Integration Program, the College during Covid-19 pandemic in 2019-2020, provided a vital support structure to conduct Online Teaching-Learning for our students. The main purpose of the application is to make the online classes to the students and make available of lectures to the students for their reference. As a part of its Institutional Social Responsibility. The College is to bring all the teachers and lectures to bring 'Under One Roof' Enabling Unit and Equal Opportunity Cell. Our college provide pre-service training so our mission is to train well motivated teachers who are intellectually competent, morally upright, socially and professionally committed and spiritually inspired in order to become instruments of social transformation. It admits 100 students every year for two year Bachelor of education programme. This is a co-educational institution with permanent recognition from the Government of Karnataka, NCTE. It is permanently affiliated to Karnatak University which is the biggest university in Karnataka.
