**Laboratory:** Our management supports the financial approval for the needed equipments and provide to our students which are necessary at the time Demonstration for teachers , Micro Teaching and Macro teaching for the students. With this regard college gets quotations from different vendors. After getting the quotations. Comparison will made from all the quotation and placed the order for the lower quotations by our IQAC and Governing body of the College. Teachers motivate the students to construct the working model and use them in the Macro lessons effective and give quality education and improve the appearance of the laboratory by keeping them in laboratory and Our College practicing school students visit to our college laboratory to observe the working models to get knowledge and idea of the construction of the model by our college students.

**Sports:** Our College Conducts Annual Sports meets every year. Our College has the facilities of indoor and Outdoor games. The Sports materials will be provided to the students to practice in the leisure time. Our college campus has tennicoit ground, Throw Ball ground, Volley Ball ground and Long jump ,High Jump ground in our campus. Our College sports room have the first aid boxes to cure injuries.

Over all Our College has best Building, infrastructure facilities, Laboratory, Garden to provide the best environment al surrounding to provide quality Education.
