PROCEDURE AND POLICY MAINTAINANCE

Procedures and policies for maintaining and utilizing Physical, Academic and Sports facilities of J.P. College, Science LABORATORY has its own laboratory facility which is maintained by the respective Subject Teacher. Laboratory equipments, apparatus, chemical and solvents etc. are procured at Secondary school level as per the requirements of various Secondary school used for Practice Teaching by our B.ed students. The College office purchases those scientific equipments, apparatus etc. through quotations. There is a Library Purchase is done through the advise of the subject teachers for purchasing new books from time to time.. Each teaching teachers sends the book list to the library as per their requirements and the library incharge procures those books from various book stores following the established procedures and guidelines. After purchasing of the books, due stock entries are made by the staff and then those books are issued to students and faculty members for their reference. SPORTS COMPLEX has its own play ground. There is an Athletic Association, consisting of a group of teachers who looks into various sports related matters for development of College playground. However, some amount of money are being spent by the College for upgradation of playground during the time of Annual Athletic meet.
