## **2.2.4 Report of Mentor-Mentee Activities**

### **Mentoring for dealing with student diversity**

J.P. College of Education, Gadag has a system of mentor-mentee regularly the classes are held the tutorial period. The purpose of this system is to provide support and guidance to the students of the college for the betterment of their academic and professional career and thereby contribute towards nation building. It is an effective system that to bridge the gap between the mentee and the mentor. It is common that the students may experience various difficulties during their two-year B.Ed. may have to face academic and adjustment challenges. To cope up with such problems and to enable them to excel in academics and profession as per their potential, the Mentor-Mentee programme for the students of the institution has been developed.

#### **1.Seminar presentations:**

## **MENTORING/ACADEMIC COUNSELLING**

All Students participated in the activity: Mentoring/Academic counseling out of which details of few students are provided below.

### **1.Outcome of Mentoring of Basavraj Karajagi:**

Every time students are encouraged to make best use of various opportunities provided to them in the teaching learning process and otherwise as well to nurture their creativity example: there was this student Basavraj Karajagi ,very talented and intelligent due to some personal reasons didn't have enough confidence to go forward, But with the encouragement of the principal, His mentor, counselor and few other teachers he not only participated in various activities and art events but gave some solo performances also. he was so good in Technology and always come forward to help the teachers for making PPT etc. Here is a true example of nurturing creativity, life skills, empathy and everything. But for this the counselor and other teachers had to spend hours at length to get his out of the hole.

### **2.Outcomes of Mentoring of Andappa Naregal**

Andappa Naregal had performed poorly on entry behavior tests initially and had no idea about the B.Ed programme. She also had a variety of emotional issues, but due to constant academic mentoring and encouragement she turned out to be a brilliant student academically as well as emerged as a strong student organizer.

### **3.Outcome of Mentoring of Netravati Hadimani:**

Every time students are encouraged to make best use of various opportunities provided to them in the teaching learning process and otherwise as well to nurture their creativity example: there was this student Netravati Hadimani, very talented due to some personal reason didn't have enough confidence to come forward and moreover would start crying at small instances, but with the encouragement of the principal, His mentor, counselor and few other teachers he not only participated in various activities and art events but gave some solo performances also. he is so good in Technology and always come forward to help the teachers for making PPT etc. Here is a true example of nurturing creativity, life skills, empathy and everything. But for this the counselor and other teachers had to spend hours at length to get his out of the hole. She was facing complexes as she had no experience of face to face formal education before B.Ed.

### **4.Outcomes of Mentoring of Renuka Pujar:**

Renuka Pujar had performed poorly on entry behaviour tests initially and had no idea about the B.Ed programme.
