Report on Internship Programme:

I am Poorima. Chauhan, the student teacher of Jagadguru Panchacharya college of Education, Gadag. I have been undertaken Internship course in CCN, Sri Fakir channavereshwara English medium School, Shirahatti from 16/08/2022 to 30/09/2022.

I have joined the school on 16/09/2022 under the guidance and permission of Head master Sri. Sri. Santosh. shettar sir. I have undertaken Internship course for 4⁵ days in SFC English medium school, Shirahatti.

On 16/08/2022 first day of our internship course attended the school, assembled for prayer, then we met H.M Santosh sir and students then we introduced to staff members and students by head master. Then we collected the syllabus of Chemistry and biology from our mentor Sri. Ekant. C.

At first we observe the mentors classes - Sri. Ekanth. C. sir [Extend]
I observed the mentor class of Science and learnt that how the teaching should be done, got information about teaching

I observed the mentor class of science and learnt the activities that take place while teaching the lesson. Some experiments which should be done to make our teaching effective.

On 23/02/22 I started my lesson Chemistry which was given by mentor to teach for class 9th students, after completion of unit. Unit test were taken for the students, Remedial teaching for slow learners and who got the less marks for the Unit-test. I have completed 12 lesson and one TET lesson

After completing chemistry, I taught the ~~B~~ biology lesson given by mentor teacher, Unit test were taken followed by Result were announced and Remedial teach for the least stored students. All 26 lesson were completed.

We observed the School Academic Record and got information regarding the records from Santosh sir followed by School Academic Plan, School development plan, etc..

During our internship course we organized some co-curricular activities to the students like Quiz competition, Sports ~~activity~~ ~~competition~~ ~~activity~~

The Taluka level sports for high school are held on 15/09/22 at F.M. Dabali comp. PU college Shirahatti. Our school students were participated enthusiastically. then on 16th/09/2022 High school level Pratibha Karanji is also organised at St. Paul's english medium school. Shirahatti. Our school students participated in some competition and won the prize got selected to Taluka level. On date 22/09/2022 A science drama was organised by [BED] School Education and literacy department at Smt. N. V. Angadi govt. high school. Magadi. Our school students took part in the science drama and Seminar and got the prizes.

By the permission of Sri. Santosh sir we have visited to the nearby higher primary school and collected the information from the Head master.

With the permission of Santosh sir, we visited nearby Govt. school to observe the GOK departmental programmes and also collected the information from the school.

On ~~02/10/2022~~ 01/10/2022 they conducted the small programme to send off of us from training internship school. The programme was conducted by Santosh sir and teachers. Our school chairman Sri. C.C. Moorshetas sir has also have participated in the function we shared some opinion of our Internship course

On 02/10/2022 I successfully and satisfactorily completed my Internship programme. After Gandhi Jayanti function.

Visit to Internship School: Gurubasava CBSE School
Gadag.

I am Rithvi Uppln, student teacher studying in B.Ed 4th sem in J.P college of Education, Gadag

I have selected Gurubasava CBSE school for internship course from 10/9/2023 to 30/08/2023. I have joined the school on 10/07/2023 by seeking the permission of Principal. Under the guidance of school Principal I have undertaken CBSE school and for 50 days in Gurubasava 9th class students. taught (phy and Maths) for 9th class students.

Our guidance teacher / Mentor: shripa Nam and under guidance, I completed 24 lessons and 2 ICT lessons including both pedagogies i.e. physics and maths for 9th pupils. After completion of one unit, I conducted unit test, Remedial teaching classes for below average children and again I conducted Retest for such students.

I observed the classes of mentor and also one class of our vice principal mam. I also observed a school academic records, collected information about school academic plan, organised various co-curricular activities, conducted case study, Action Research during our internship.

By doing & performing all the activities mentioned above, I completed my Internship training on 30/8/2023 under the guidance of Principal Sir.
