Report of Outreach Activities

Community service has been an integral part of the college since its inception and has been one of the foundational principles of the college. The community service initiatives in the college are led by the NSS units, women welfare committees and Anti Ragging Cell, Red Cross Cell etc. The outreach involves leading awareness campaigns through Dramas and interactive talks etc. Our students learn the importance of developing the spirit of giving back to society. NSS units of the college regularly organize cleanliness drives during swachhata abhiyan as well as seven days NSS camps and also involve the residents of the village. take out rallies to spread awareness, to have first hand information about various issues as education, health, drug addiction etc. Medical check-up camps to address the health issues of local residents were organized. The students plant saplings in areas around college. The programmes on eco sustainability also help the students as well as community members through eco-friendly activities like waste segregation, composting and harmful effects of plastic etc. These activities develop leadership, resilience, empathy and service-mindedness in our students.

The ELC club of our college organizes various campaigns related to enrolling new electors, linking aadhar cards to Voter cards, and bringing awareness about the usage of Electronic machines. The list of various outreach programmes such as organizing judicious use of environmental resources, vocational training and skill development program for Students, Health and sanitation, Swachh Bharat movements, Road safety programs, Literary and art (Essay, drawing, quiz, and speech) competitions for school students. Seminars and extension lectures on social and gender issues for school student.

To sum up, the college promotes rural development activities in the localities surrounding the area of its education intervention. Through these outreach activities all young people and adults acquire and apply the knowledge, skills, and attitudes to develop healthy identities, manage emotions and achieve personal and collective goals, show empathy for others, establish and maintain positive relationships, and make responsible decisions. Community outreach programs develop deeper relationships between students and the communities they live in.
