## **N.S.S Camp**

**Date:** 20-2-2019 to 26-02-2019

The National Service Scheme(NSS) is a government –supported program that aims to develop the personality and character of students through community service. The camp was held from 20-2-2019 to 26-02-2019. One of the key activities of NSS is the camp, which brings together students from different universities and colleges to participate in community development activities. The NSS camp we will be held in a rural area in the outskirts of the city from our college every year. The camp lasted for a week and was attended by 25 students from our college at Narasapur a village near by Gadag City.

Objectives of the camp were to promote community development, environmental conservation, and social awareness among the participants. The activities of the camp included health and hygiene campaigns, Prevention of water, Blood donation cultural exchanges programs street dramas, cleaning and rallies.

The camp was organized by the NSS unit of the host university, with the support of the local community leaders. During the camp, the participants engaged in various activities that had significant impact on the community and environment. For example helped to restore the degraded areas while awaring the community in sanitation facilities improving the hygiene and sanitation conditions of the local community. The health and hygiene campaigns sensitized the community on the importance of good health practices, while the cultural exchange programs promoted social integration and harmony among the participants. Overall the camp was a success and the achievements were evaluated based on the level of community participation in the activities.
