

Decentralization and Participative management

The College have effective mechanism to promote decentralization and participatory management . It allocates different duties to the teaching & Non Teaching staff as per their expertise and potential.

The management of the college takes effective measures in encouraging and supporting the involvement of the staff for college development and its effective functioning throughout the year this decentralization of various duties & responsibilities is evident from the various committees assigned to different members of the college as given in the college prospectus available on the website.
