POLICY ON ENERGY CONSERVATION / UTILISATION

Following are some of the guidelines framed by the college for the judicious utilization of the electricity.

Administrative Staff

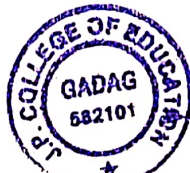

- Responsible to make the Electricity Bill within the stipulated period of bill date.
- Entrusted to monitor the safety and proper conditions of Board, etc.
- Regularly maintain the UPS battery by ensuring the proper filling of distilled water from time to time.
- Invite the competent electrician to check the proper supply of electricity at all facilities of the college.
- After the class hour, menial staff need to check all the class rooms, laboratory, central library, etc., ensuring lights and fans are off.
- Earthing should be ensured from time to time.

Teachers

- Lighting and fans can be used only during class hours.
- Instructed to switch off the fans and electricity in the case of gap of classes.
