**JAGADGURU PANCHACHARYA COLLEGE OF EDUCATION, GADAG**

---

**Documentary Evidence**

**Plastic Free Campus**

Plastics, being a Hazardous element in the society posing a major threat to the livelihood of Mankind and other being in the world. The environment is getting polluted at the never before pace sparing no mediums due to plastics. So it is becoming a key responsibility of every citizen of our country not just to “Say No to Plastics” but also to create awareness among the community as whole to stop this pollution and leave behind a green and pollution free place for our future generations.

### **COLLECTED WASTE HANDED OVER TO TOWN MUNICIPALITY**

Collected waste from college and other areas shall be transferred to community bin by other small vehicles.

### **e-waste collection and awareness programme**

e-waste collection and awareness programme inauguration by Prof. Veena Mane PDO, Hombal.

# **WASTE MANAGEMENT POLICY OF J.P. COLLEGE OF EDUCATION**

It is incumbent on higher educational institutions, in specific **TEACHER EDUCATION INSTITUTIONS** to lead the way in promoting sustainable living.

## **FEATURES IN THE CAMPUS:**

1. Repair, Re-use and frequent maintenance of equipment to ensure sustainable longevity.
2. E-Waste Recycling and management.
3. Awareness programs for waste management arranged by NSS.

## **Waste Management Policy Statement**

J.P.College of Education Waste Management Policy echoes its commitment to mitigate the environmental impacts through effective waste management and sustainable practices by converting waste into reusable resource. Through the college clubs the college strives to work towards a zero-waste campus resounding an eco- friendly ecosystem of “reduce, recycle and reuse.”

## **OBJECTIVES**

- Reducing to minimal consumption of natural resources.
- Reducing, re-using, recycling and recovering waste.
- Coordinating with local authorities to ensuring the effective delivery of waste services.
- Planning and implementing effective awareness programs to raise awareness among stakeholders of the impact of waste on their health, wellbeing and the environment.
- Ensuring protection of the campus ecosystem through effective waste management measures.
- Continuous review of the college’s waste management policy on a regular basis.

## **RESPONSIBILITIES AND ROLES**

Waste management team consists of:

1. Principal
2. Faculty Coordination Member on a rotational basis
3. Facilities Technical Staff member
4. NSS Programme Officer
5. Student Members from various in-house clubs as the need arises

The team is entrusted with the responsibility of developing an action plan to ensure waste management strategies are organized and implemented optimally.

## **WASTE MANAGEMENT PLAN**

1. Coordination and meetings among the Waste Management Team for effective implementation.
2. Regular monitoring and benchmarking of resource use and waste generation.
3. Intensive training on the pedagogy of waste management to be integrated into the Teacher Education Programme to develop waste management skills among student teachers.
4. On-going evolving and implementation of innovative strategies to reduce paper waste, plastic waste, solid waste, liquid waste, e-Waste in the campus.
5. Initiate sustainable practices like: segregation of waste, composting for waste (Vermicomposting), and sewage treatment plan and e-Waste management.
6. Conduct awareness programs on waste management, e-waste management.

## **MECHANISM OF ACTION PLAN**

The Waste Management Team should lay down well-defined procedures as mentioned below, that follows these indicated stages.

- a) Define the Sustainable Goal Agenda of the Academic year pertaining to Waste Management.
- b) Create Implementation guidelines in the following areas:
  - Zero Plastic Campus
  - Solid, Liquid and E-Waste Management
- c) Review: Monitoring and follow-up.
